Dear Sir:

This is in response to the Examiner's Amendment mailed on May 19, 2005 with the Notice of Allowance.

The Examiner has amended the specification on page 1, between the title and the Field of Invention to claim the benefit of two provisional applications, namely 60/247,438 and 60/247,439. Applicants do not wish to claim priority from these applications. In fact, Applicants' prior attorney of record submitted a Request for Corrected Filing Receipt on April 26, 2001 wherein Applicants stated that no claim to the benefit of the cross-referenced applications was sought. A copy of the prior Request is attached. This prior Request may not have been received by the Examiner as there was a typographical error in the serial number of the document.

Applicants respectfully request withdrawal of the Examiner's Amendment. In addition, request hereby is made for issuance of a corrected Filing Receipt. The original Filing Receipt, copy enclosed, erroneously states that this application claims the benefit of 60/247,438 and 60/247,439, both filed November 9, 2000, or the same date as the present application. Applicants request the issuance of a corrected filing receipt in which this statement is omitted.

Respectfully submitted,

REQUEST FOR CORRECTED FILING RECEIPT

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Dear Sir:

The above-identified application was filed on November 9, 2000. On February 8, 2001, a Preliminary Amendment was filed, in which a paragraph was added to make a cross-reference to certain applications filed on November 9 and November 10, 2000, in accordance with 37 C.F.R. 1.78(a)(2). A copy of the Preliminary Amendment is attached hereto as Exhibit A.

The purpose of the preliminary amendment was not to claim the benefit of the filing date of the other cross-referenced applications. Rather, the amendment was made pursuant to the sentence of 37 C.F.R. 1.78(a)(2), that reads "Cross references to other related applications may be made when appropriate (see § 1.14)." The wording of the Preliminary Amendment is in accordance with this language of the rule.

On March 28, 2001, attorneys for the applicants herein received the official filing receipt for this application. A copy of the official receipt is attached hereto as Exhibit B. The official filing receipt erroneously states that this application claims the benefit of 60/247,438 and 60/247,439, both filed November 9, 2000, or the same date as the application herein.

Applicants respectfully request the issuance of a corrected filing receipt, in which this statement is omitted. That is, the portion of the filing receipt after "Continuing Data as Claimed by Applicant" should be blank. Attached as Exhibit C is a copy of the official filing receipt showing the requested correction in red.

Applicants also respectfully request that the files of 60/247,438 and 60/247,439 be checked to be sure that they have not erroneously been deemed abandoned. It is not the intent of the applicants to abandon these applications.

Respectfully submitted,

Sandra B. Weiss
